---------------------------------	--	--

今日的集合地點為保慶宮,祭拜主神廣澤尊王,聖王姓郭,名忠福,年少時聰明過人,十六歲時坐化成神,威鎮鳳山寺後,因此國內常見鳳山寺,基本上均屬聖地也. 保慶宮後方有條登山步道(拔刀爾山)此山屬北插天山系,主稜北起加九寮東南鞍,南至逐鹿山,是個B級登山路線. 今天是來跑HASH的,暫不做詳細報導,借此機會給各位兔友了解所謂:HASH跟登山是個息息相關的. 筆者第一次操刀報導,連HARE也是處女之作. 緊張之餘不在話下,本人因為才疏學淺,或許不會有筆墨橫飛文章. 承蒙諸位大哥(簡稱豬哥)莫嫌棄,繼續看下去吧!記得10年前由ICHIBAN(賴麒麟)引進捷兔後,看到各位前輩熱心服務. 每年的會長英明領導,以及幹部辛勞服務,尤其是兄弟個哥們,酒越喝越爽,甚至都變成彼此的生活夥伴,倘若一個團體有這麼大的魅力,那麼只來過幾次就不來的朋有友,的確可惜!也只有當過HARE才能體會出,眾多兔友星期六的樂趣全建立在HARE身上,每次路線的規劃,停車問題,BASH...都要求完美的,今天例外(低調). 接近中午時分,一群三蘆朋友,以及親三蘆弟兄馬上進入狀況(酒已經喝兩箱了)陸續報到, HARE今天準備了234RUN紀念跑次的帽子,更提醒兔友注意事項,尚未開跑就有不少人打聽路線. 可是沒有一個知道,連ALONE都不知道,今天路線為何?(裝蒜)?不過UK(陳澤淵),PLAY BOY(饒盟乾)已經按捺不住,爬上BATTLE 山上去了,也許ROLLING STONE(張仁全)早已準備禮物在美鹿山870M等候,所以UK就是受獎者. 下午2:00左右ALONE以及各位兔友在登山口祭拜儀式,只要是希望上山或進入山區保佑各位平安無事,這只是個人對於山神,山土地工伯公,山上兄弟伯公...的尊敬. 看到ALONE滿身裝備,有些已經嚇到了,而且HARE要求在2:40提前起跑,更增加恐懼感,宣布

起跑時,往山下路跑去,大家傻眼了,不是BATTLE嗎?之前資訊可以引導先遣部隊錯誤的判斷. 也是本次HARE設計出來的

成果,第一個CHECHIN現做時,周圍已經有了HAPPY(孫前田),三元...等在洞口徘徊,實在很難玩CHECKING,後面起跑者就輕鬆多了,進入雜草叢林山中,ARE YOU 聲不斷,ON ON聲回應你來我往,好不快樂,還好Hare開始就有提醒大家,也就很少人short cut.到深溝中,快腳無用武之地,幹!路這麼難跑,對有些逗逗游者是一大享受,mark非常明顯不造成困擾,但前方懸崖峭壁有條新繩子,果然是現綁的(臭屁一下).上了原始杉木林,看得出來,路是開疆闢土而得來.ARE YOU 再度響起,筆者猜想,他們一定是悟誤入了前些日子找路時的痕跡,山路迂迴幾次,恐怕沒記號必會迷失方向,下了原始林,來到第二個checking,看到前方aqua,以為正確路線.然而,大家白忙一場,因為aqua 乃屬本次的CoCoHARE俗稱(SAKURA).ONON響起時,已經在通往信賢苗圃的產業道路,如果沒有跑完全程者,恐怕很難體會出,甚麼叫柳岸花明又一村,在信賢苗圃的產業道路下方就是信賢村,其視野極佳,跑步又能衝刺,這條路規劃之完美,值得稱贊,這是PRESIDENT(黃世瓊)告訴我的.(再臭屁一次).其實一條路線的完整性.必須有很多朋友參與,感謝CoHARE,CoCoHARE以及這次參與的各位朋友.讓第一次做兔子激起了信心,往後能再接再力.DOWN DOWN 時來了兩位日本人,HASH就是這麼有國際性,今天所看到DOWN DOWN景象,好像比以往人數增加.而且很多今年第一次的,相信捷兔是非常值得去接近它.BASH席開8桌,沒有事先簽名方式,又沒有事先宣布FREE BASH,無法控制桌數,還好土雞城老板代勞2桌,才解決BASH的問題,AQUA又贊助4500CC WISKY,酒足飯飽,捷兔的精神表露無疑,每每跑步也有FREE BASH的機會,因此趁此機會少許付出.COHARE(蕭堂輝)也同意如此想法,招待不週有請海涵,若有機會願意再來一次如此盛況,ON ON.再見,下星期六見.Last Saturday's run was from Bau-Chin Temple, way up the hill from the tourist attractions of Wu Lai, the aboriginal villages, dances, waterfall etc. Beautiful location, where the weather was cooler compared from the valley below. Apparently hare "Alone" hared the run 'alone' ! I stand to be corrected!! The temple looked very different in appearance from the thousands of Chinese temples around the Island.A few minute's walk down the road from the temple, we turned into the bush, following marks. The going was tedious through the shrubs and roots and thorn that covered the narrow, muddy trail, winding up and down for over twenty minutes before we reached a narrow black top path. A short run took us up through mountain trails. We had to climb with the help of ropes and then go down -hill in the same way until we got to another road. Here, most of the front runners ran way-down to the left, when they hit a back track. We had to turn right through a narrow trail, slowly winding along several hillocks to the top. Once on the top, it was a short run back to the temple. It was a good run, most of the runners finished within one hour. Congratulations 'Alone' for a nice outing on the hash Saturday.The weather was cool and comfortable, and the down-downs pretty long. An early announcement by the G.M. proclaiming a free bash from the magnanimous hare, encouraged many -over 100 hashers = to enjoy the bash, with free beer and scotch too! In retrospect, it's worth mentioning about the INTER-ISLAND HASH RUN, we had two weeks back ,hared by Penisless and his long time mate, Vaseline Thighs, the Taichung G.M., wherein almost all the Taiwan Hash clubs took part., namely Taipei, Kaohsiung, Taichung, Tainan, Hsinchu, China, Metro, Formosa and Hong Kong Hashers took part. The trail was well laid through various tea-plantations through more-or-less flat countryside, where we could run , if we wanted to, and was well marked. The down-downs were dominated by the Kaohsiung Hash, with the auction of their wares, including women(?), whereas Taipei Hash G.M., had to resort to the help of various colleagues in the committee (who were equally hopeless, including S.M.shit, whose best vocabulary was, " COME HERE", addressing guests, whose intention was to invite them for down-downs), due to poor knowledge of spoken English!A few words about the hash run on 26th April, hared by Bloody Dog. It was a bloody good run, the trail was very scenic, through several hillocks, flower gardens and tall trees adorning the trails. The green hills reminded me of the sheep grazing meadows of Christchurch in South Island of New Zealand, one of the most beautiful places on earth!

THE HSINTIEN RUN ON 5TH APRIL.

I, Guru got back to Taipei on 30th March after a sojourn of about six months in Kerala, South India. I was disappointed to note that there were no volunteers to write our hash news letter in English in my absence. I hope to contribute in this respect, as long as I stay in Taipei.After several days of wet and cold weather, we had a very fine weather for the run. The start was from the old Matzu temple of Shindien. Blue Mountain and his two co-hares did a good job and gave us a good scenic run. We had to climb hundreds winding steps, past a beautiful waterfall for quite a while, and then go down another series of steps until we got to the crowded rope way station. To me it looked like a new temple where the worshipers had gathered to pray hoping to absolve all their sins of the past, in the warm and sunny weather that they missed for a week, even through the tomb-sweeping holidays. Then on, the marks took us past farms, gardens, alleys etc. with one or two checks thrown in between.. To get to the finish we had to run down more steps, and muddy paths. All in all, it was a good run, the front runners getting to the brown fluid within an hour. The usual, innumerable down-downs followed until all the left over beer was finished. The bash was close by, and well attended.

THE LONG AND HARD PINGSHI RUN ON 12TH APRIL.

We started the run from a remote road-side spot somewhere in Pingshi area. There was no temple or or shelter nearby in case of rain. Luckily, it only drizzled occasionally.The usual warm-up exercises over, we left before 3 pm for the obligatory few minutes of walk, down the road and turned off the road, across a bridge to a check. We found the trail, ran along a road for a while and then found marks going up. It was a long and winding climb to the top of a mountain,occasionally using ropes and vines. Once on the top of this rugged place, we climbed down slowly to a village at the the bottom. We then crossed a bridge, ran up along a road and climbed some steps to a cemetery. We had to run up and down half a dozen hummocks along moss covered slippery cement steps before getting down to the railway track below. We crossed the tracks and ran in parallel on road until we reached Pingshi Railway station. From the station we had to run some distance through the town to get back to the starting point. It was a very long run, that took almost two hours for the front runners.The hares could have easily avoided the unnecessary extra loops they had deliberately put to make the run extra long and thus spoiled an otherwise excellent run, which had all that hashers look forward to. It has the ingredients of a decent run- nice, muddy, slippery trails, some black top roads, bushes, trees and shrubs and of course great scenery, ups and downs, streams, paddies, gardens, village fragrance and some unavoidable stench etc. etc. This run had it all, except that it was too long. The second half of the run was more enjoyable. The down downs, were, as usual, elaborate. But G.M. "Dragon" is doing a good job.Special thanks to those hashers who were good enough to visit Bush Baby at the Veterans Hospital, who is seriously sick.
